TAH confirms completion of ARC Health Acquisition

Third Age Health Services Limited is pleased to advise that its acquisition of an 80% stake in ARC Health Limited (ARC Health) is now unconditional.

ARC Health provides medical services to aged residential care facilities in the Canterbury region and will operate as a bolt-on to Third Age Health's existing Aged Residential Care (ARC) business.

The total consideration for the 80% stake is \$1.12 million, of which \$280,000 is deferred for 12 months. The acquisition is expected to be funded from cash reserves, and completion is scheduled for 1 September 2025.

About Third Age Health

Third Age Health is New Zealand's only specialised provider of general practice health care services for older people living in retirement villages, private hospitals, secure dementia units as well as in communities across New Zealand. A dedicated Third Age Health clinical team provides onsite clinics, rostered rounds and after hours on-call healthcare services aimed at supporting the health and wellbeing of older people to improve quality of life. As well as providing clinical services for 90 aged care facilities throughout New Zealand, Third Age Health owns several general practices providing quality primary healthcare to people of all ages.
