Memorandum

To: Market Participants
From: NZX Product Operations
Date: Friday, 11 April 2025
Subject: EBOS Group Limited (“EBO”) – Trading Halt Application

Message:

NZ RegCo received a trading halt application from EBOS Group Limited (“EBO”) after market close on 10 April 2025, in relation to a proposed capital raising by way of a placement.

The application requested an immediate trading halt of EBO’s quoted equity securities, to remain in place until the earlier of: (i) announcement of completion of the placement as described in the trading halt application; and (ii) opening of trading on the NZX for quoted equity securities on 11 April 2025.

As the NZX Main Board was closed for the duration of the trading halt period applied for, NZ RegCo has determined that a trading halt in EBO equity securities was not required.

EBO’s trading halt application is attached for reference.

Please contact NZX Product Operations on +64 4 496 2853 or productoperations@nzx.com with any queries.
