### About TradeWindow:

*Founded in December 2018, TradeWindow is an NZX-listed software company that provides digital solutions for exporters, importers, freight forwarders, and customs brokers to drive productivity, increase connectivity, and enhance visibility. TradeWindow's software solutions integrate to form a cohesive digital trade platform that enables customers to more efficiently run their back-end operations, share information and securely collaborate with a global supply chain made up of customers, ports, terminals, shipping lines, banks, insurance companies, and government authorities.*
