GFI auditor: FMC audit license expired and in process of renewing

GFI Limited (NZX: GFI) announces that it has been notified by the Financial Markets Authority (FMA) that Mr. Bennison of KS Black & Co's audit license expired on 11 December 2024. As a result, Mr. Bennison is not currently eligible to audit GFI's financial statements for the current financial year but is the process of updating his license with the FMA.

GFI is actively working to resolve this matter for all parties as promptly as possible and will keep the market informed of any developments.
