

18 October 2022

Dear Shareholder,

On 18 October 2022 the Board of Marlin Global Limited (NZX: MLN) (**Marlin**) announced an issue of warrants.

The purpose of the issue of warrants is to raise capital as part of Marlin's ongoing capital management programme and provide investors with the ability to purchase additional shares in Marlin at a pre-determined exercise price. The issue of warrants also aims to increase the size of the portfolio so as to improve operational efficiency. The net proceeds are expected to be used for further investment in the Marlin portfolio.

What is a Marlin warrant?

A warrant gives the holder a right to buy one share in Marlin upon payment of the Exercise Price on the Exercise Date (10 November 2023).

Who is eligible for the Marlin warrants?

Warrants will be issued to Marlin shareholders with a registered address in New Zealand recorded on the share register as at 5.00pm (New Zealand time) on the Record Date (2 November 2022) (**Eligible Shareholders**). As long as you hold Marlin shares at that time, you will be entitled to receive one warrant for every four shares you hold. If you are a Marlin shareholder but do not have a registered address in New Zealand, your warrants will be issued to a separate registry account with Marlin's share Registrar and we will endeavour to sell the warrants on the NZX Main Board on your behalf.

How many Marlin warrants do I get?

Each Eligible Shareholder will be issued one warrant for every four shares held at 5.00pm (New Zealand time) on the Record Date (2 November 2022), subject to rounding up.

What do I need to do to receive the Marlin warrants?

You do not need to do anything to be issued warrants. Computershare will send a statement informing you of your new warrant holding if you are an Eligible Shareholder. This is expected to be on or about 10 November 2022.

What can I do with the warrants?

- You can elect to exercise some or all of your warrants by **10 November 2023** via payment of the final Exercise Price for those warrants. We will contact you again in late September 2023 before the Exercise Date, with details of the final Exercise Price and provide you with information in regards to the online Exercise Form.
- You can seek to sell or transfer some or all of your warrants on the NZX Main Board from 4 November 2022 until **5.00pm on 8 November 2023**.
- You can elect to not exercise or sell any warrants and allow the warrants to lapse. If you do not exercise your warrants, your shareholding in Marlin will be diluted by other warrant holders who exercise their warrants.

If I want to exercise the warrants, how much will it cost?

The final Exercise Price will be determined closer to the Exercise Date. It will be \$0.99 per warrant, but with such amount to be adjusted down for the aggregate amount per share of any dividends declared on Marlin shares with a record date during the period commencing on the date of allotment of the warrants and ending on the last Business Day before the final Exercise Price is announced by Marlin.

The full terms of the warrants are set out in the Warrant Offer Document which is available on Marlin's website, www.marlin.co.nz. The Board of Marlin encourages you to read the document in its entirety and discuss the terms with your financial adviser if you have any questions. Marlin will provide a copy of the warrant offer document on request.

Yours sincerely

Andy Coupe
Chair, Marlin Global Limited
