About Rakon

Rakon's products help people to connect, explore and innovate. They are the 'heartbeat' for electronic systems, delivering fast, precise and stable timing in everything from mobile networks and autonomous vehicles to satellite constellations and AI data centres. Whether connecting to a 5G tower or to a rover exploring Mars, our technology is relied on to deliver the highest performance in even the most extreme conditions. Thanks to our constant drive to innovate, we continue to empower our customers to create the next-generation of life-transforming technologies. For more information, visit rakon.com.
