Appointment of Chief Financial Officer

Metro is pleased to announce the appointment of Sarah Hipkiss to the role of CFO, effective 20 January 2025. She will replace Tony Candy who has filled the role since August of last year.

We are grateful for Tony's effort and dedication in what was always a transitional role in the business. At a time when the company needed to stabilise during a period of board and management change, his calm demeanour and experience has been invaluable. Tony will continue in the business until early next year, allowing a good handover to Sarah.

Sarah has a strong financial background commencing in audit with KPMG Auckland, transferring to London and then promoted to Partner in the Auckland office. Her commercial leanings saw her move to NZX listed Cavalier Corporation as CFO and continued to NZ manufacturer The Comfort Group. She is excited by the challenge of returning to a manufacturer with the scale of Metro and joining the leadership team as the company implements its business turnaround.

We are excited to have secured her, and feel that with her hands-on, high-energy approach she will make a significant contribution to the team.

ENDS
