Dear Elliot,

Enprise Group Limited (ENS) – Price Enquiry

We write with respect to the continuous disclosure obligations set out in the Listing Rules (**Rules**). Listing Rule 3.1.1 ("**the rule**") is set out in the Schedule attached to this letter. In summary, this rule requires issuers to immediately disclose any Material Information to NZX Limited ("NZ RegCo"). The rule provides limited exceptions to this obligation. Material Information does not need to be disclosed where a reasonable person would not expect the information to be disclosed *and* where the information is confidential and its confidentiality is maintained and where one of five safe harbours applies.

The price of ENS has increased from \$1.21, being the market closing price on 29 April 2021 to \$1.43, being the price at 2:30 pm on 4 May 2021. This represents a total increase of \$0.22, or 18.18%.

Given this increase in the price of ENS shares, please advise NZ RegCo whether ENS continues to comply with Listing Rule 3.1.1.

Could you please provide NZ RegCo with an answer to the above question (email: surveillance@nzregco.com) before 9:00 am on Wednesday, 5 May 2021.

Please provide your response to this letter in "PDF" format, and note that it will be published in full to the market.

Kind Regards,

Mitchell Bradley
