- Brillian APAC Pty Ltd ("Volaris") presented an unsolicited, non-binding indicative proposal (NBIO) in June 2023 to acquire 100% of EROAD's shares. After thorough review, the Board found the proposal materially undervalued EROAD's business. Consequently, neither party pursued the matter further and Volaris continues to remain a major shareholder.

Director fees

- When determining director fees, EROAD considers the median director fee levels for comparable listed companies in New Zealand
- To attract appropriately qualified overseas candidates, EROAD pays based on director fees for comparable companies in the market that the director is based in, in local currency
- Pursuant to NZX Listing Rule 2.11.3, the Board approved an increase to the director fee pool to NZD\$900,000 which is needed to accommodate the increased number of directors and possible fluctuations in foreign exchange rates. The Board elected to only increase the fee pool to the extent necessary to facilitate current director fee structure.

EROAD DIRECTOR FEES^{4,5}

⁴The increase in director fees in FY24 is largely due to the fx rate for North America based directors.

⁵Barry Einsig, Sara Gifford and Cameron Kinloch are receiving non-executive director fees of USD\$96,000. This is consistent with director fee levels for comparable listed companies in the United States. On the graph, these fees are represented in NZD with exchange rates calculated as at 31/3/2024.

⁶In addition to the listed fees, the Chair of Finance, Risk and Audit Committee received \$15,000 NZD, Chair of People and Culture Committee received \$12,000 USD prorated, and the Chair of Technology Committee received \$12,000 USD

⁷New Zealand based directors are receiving non-executive director fees in NZD.

⁸Based on the fx rate as at 31 March 2024

COMPARABLE COMPANIES (based on data from FY21)

	Median NZ Fees	Median AU fees	Median US fees	EROAD fees ⁶
Chair fees	NZ\$ 128,000	AU\$ 170,000	US\$ 118,500 (or NZ\$198,592 ⁸)	NZ\$150,000
