Third Age Health Clarifies Media Commentary

Third Age Health Services Limited (NZX: TAH) notes a recent media article containing commentary from its CEO. The article includes a reference to Q4 FY25 performance, which was intended to reflect an expectation of strong operational performance relative to the prior comparative period.

This should not be interpreted as a financial outlook. The Company's financial outlook remains unchanged from the statement provided in its 1H FY25 market announcement.

About Third Age Health

Third Age Health is the leader in providing quality health care services for older people including those living in retirement villages, private hospitals, secure dementia units as well as in communities across New Zealand. A dedicated Third Age Health clinical team provides onsite clinics, rostered rounds and after hours on-call healthcare services aimed at supporting the health and wellbeing of older people to improve quality of life. As well as providing clinical services for 88 aged care facilities throughout New Zealand, Third Age Health owns several general practices providing primary healthcare to their local community. www.thirdagehealth.co.nz
