### **Third Age Health Announces Conditional Agreements for Elder Care Practice Acquisition**

Third Age Health Services Limited is pleased to announce the signing of conditional agreements to acquire a 70% stake in a primary care practice specialising in elder care, serving aged residential care facilities in the Lower North Island. This move aligns with our ongoing commitment to expand and enhance our service offerings, ensuring the highest quality of care for our aging population.

The acquisition which represents a proposed investment of \$0.7 million is subject to due diligence and Board approval. This initiative not only broadens our reach but also reinforces our dedication to meeting the growing needs of New Zealand's elder community with exceptional primary medical services.

#### About Third Age Health

Third Age Health is the leader in providing quality health care services for older people including those living in retirement villages, private hospitals, secure dementia units as well as in communities across New Zealand. A dedicated Third Age Health clinical team provides onsite clinics, rostered rounds and after hours on-call healthcare services aimed at supporting the health and wellbeing of older people to improve quality of life. As well as providing clinical services for over 65 aged care facilities throughout New Zealand, Third Age Health owns several general practices providing primary healthcare to their local community.
