## 1. Vector Capital Bonds Election Date

On 5 November 2002, Vector Limited (**Vector**) issued unsecured, subordinated capital bonds (**Capital Bonds**) under a trust deed dated 25 September 2002 (as amended) (**Trust Deed**). The Capital Bonds are subject to the terms of the Trust Deed, including the conditions set out in Schedule 1 of the Trust Deed (the **Conditions**) as amended in accordance with the Trust Deed. The Conditions provide that the next election date for the Capital Bonds is 15 June 2022 (**Election Date**).

Under the Conditions, prior to the Election Date, Vector must send an Election Notice to your last registered email or postal address specifying the new:

- (a) Interest Rate;
- (b) Interest Payment Dates; and
- (c) Election Date,

(together, the **New Conditions**) to apply to the Capital Bonds from the Election Date. The new Interest Rate, Issue Margin and Election Date are set out in section 2 below. The other terms of the Capital Bonds will remain unchanged.

Vector has sent you an Election Notice together with these explanatory notes which describes the election options available to you as a New Zealand Bondholder in relation to the upcoming Election Date, being to:

- keep all of your Capital Bonds; or
- keep all of your Capital Bonds and apply to purchase additional Capital Bonds through the resale facility to be established by Vector as part of the election process (**Resale Facility**); or
- keep some of your Capital Bonds and offer to sell the balance of your Capital Bonds through the Resale Facility; or
- offer to sell all of your Capital Bonds through the Resale Facility.

Completed Election Notices should be returned so that they are received by Computershare Investor Services Limited (Vector's Capital Bond registrar) (**Computershare**) **no later than 5.00pm on Tuesday 31 May 2022. Election Notices can be completed online at [www.vctbondelection.co.nz](http://www.vctbondelection.co.nz).**

If you do not complete your Election Notice online correctly or if Computershare does not receive your properly completed Election Notice by 5.00pm on 31 May 2022, you will be deemed to have elected to continue to keep all of your Capital Bonds subject to the New Conditions as from the Election Date.

If as at the close of trading on 31 May 2022 your registered address is outside New Zealand, you will not be entitled to make an election or keep your Capital Bonds after the Election Date. All Capital Bonds held by Bondholders with a non-New Zealand registered address as at the close of trading on 31 May 2022 will be automatically offered for sale through the Resale Facility.

Further information about election options for New Zealand Bondholders is set out in section 5 below.

On the Election Date, Vector is required to pay you all interest accrued, un-cancelled and unpaid up to that date on your Capital Bonds. Vector will pay this interest to you irrespective of whether or not you keep your Capital Bonds after the Election Date.

Capitalised terms defined in the Trust Deed (including in the Conditions) have the same meaning when used in these explanatory notes.

## 2. New Conditions Applicable to the Capital Bonds from the Election Date

### 2.1 New Election Date

The new election date that will apply to the Capital Bonds will be 15 June 2027 (**New Election Date**).

### 2.2 Interest Rate

An Interest Rate of 5.70 per cent per annum currently applies to the Capital Bonds.

If all Capital Bonds offered for sale through the Resale Facility are sold or redeemed by Vector, the Interest Rate applicable to the Capital Bonds from the Election Date will be the higher of either:

- (a) 5.50 per cent per annum; or
- (b) the Swap Rate at or about 3.00pm on 14 June 2022 plus the Issue Margin of 1.80 per cent per annum.

As at 28 April 2022, the Swap Rate was 3.95 per cent. By way of illustrative example only, if the Interest Rate was being determined on that date, the calculation set out in paragraph (b) above would give an interest rate of 5.75 per cent per annum and accordingly the Interest Rate as from the Election Date would be 5.75 per cent per annum (being the higher of the figures in paragraph (a) and (b) above). The Swap Rate will fluctuate between the date of these explanatory notes and when it is calculated at or about 3.00pm on 14 June 2022.

If any Capital Bonds offered for sale through the Resale Facility are not sold or redeemed by Vector, the interest rate payable by Vector on all Capital Bonds from the Election Date will be the Adjusted Interest Rate (see section 3 below).

## 3. Adjusted interest rate

The Adjusted Interest Rate is the aggregate of:

- (a) the Swap Rate at or about 3.00pm on 14 June 2022; plus
- (b) the Issue Margin for the prior Bond Period (being an Issue Margin of 2.75 per cent per annum); plus
- (c) the Specified Margin (being 1.00 per cent per annum).

# Explanatory Notes

---

As noted above, on 28 April 2022, the Swap Rate was 3.95 per cent per annum. By way of illustrative example only, if the Adjusted Interest Rate was being determined on that date, the calculation set out above would give an Adjusted Interest Rate of 7.70 per cent per annum. The Swap Rate will fluctuate between the date of these explanatory notes and when it is calculated at or about 3.00pm on 14 June 2022.

## 4. Interest Payment Dates

The Interest Payment Dates applicable to the Capital Bonds from the New Election Date will remain 15 June and 15 December in each year.

## 5.2 Overseas Bondholders and Minimum Holding

Where:

- (a) you hold less than the Minimum Holding (Capital Bonds with a minimum aggregate Principal Amount of \$5000) of Capital Bonds as at the close of trading on 31 May 2022; or
- (b) your registered address is outside New Zealand as at the close of trading on 31 May 2022,

you will be deemed to have elected to offer to sell all of your Capital Bonds through the Resale Facility.

## 5.3 Resale Facility

Vector may allocate any Capital Bonds offered for sale under the Resale Facility in its absolute discretion and does not guarantee the availability of Capital Bonds for purchase under the Resale Facility. It is Vector's current intention to give existing Bondholders who apply to purchase additional Capital Bonds through the Resale Facility (Option B) preferential access to Capital Bonds offered for sale through the Resale Facility.

Under the Conditions, Vector may itself purchase any Capital Bonds offered for sale under the Resale Facility. Vector must use reasonable endeavours to procure the purchase of any Capital Bonds offered for sale through the Resale Facility but is not obliged to purchase or procure the purchase of any such Capital Bonds offered.

If any Capital Bonds remain unsold under the Resale Facility on the Business Day preceding the Election Date (being 15 June 2022), Vector may on the Election Date redeem all those unsold Capital Bonds for the Principal Amount of each unsold Capital Bond. If Vector chooses not to redeem all of the unsold Capital Bonds on the Election Date, all Capital Bonds (including all unsold Capital Bonds) will remain on issue and will be subject to the New Conditions except that, for the period from the Election Date until the New Election Date, the Interest Rate payable by Vector on all Capital Bonds (including all unsold Capital Bonds) will be the Adjusted Interest Rate (see section 3).

Any Capital Bonds offered by a Bondholder for sale through the Resale Facility which are not sold or redeemed by Vector will continue to be held by that Bondholder. Vector's ability to purchase or redeem any Capital Bonds is subject to it being satisfied it can comply with its obligations under the Replacement Security Deed Poll.<sup>1</sup>

Vector has not made any decision as to whether it will purchase or redeem any Capital Bonds which are placed by Bondholders for sale in the Resale Facility.

## 6. Brokerage

Vector may pay to one or more Primary Market Participants (in terms of the NZX Participant Rules) or other financial advisory firms a handling or procurement fee in respect of all Capital Bonds the subject of a completed Election Notice. Vector will be solely responsible for the payment of such fees.
