Radius Care Extends Bank Facilities and Reduces Financing Costs

Radius Residential Care Limited (NZX: RAD) (Radius Care) is pleased to announce that it has extended the maturity of its core debt facilities to three years, with reduced margin and line fees.

Jeremy Edmonds, Radius Care's Chief Financial Officer, acknowledged Radius Care's longstanding relationship with ASB Bank. "The facility extension demonstrates confidence in Radius Care's financial performance and exciting growth strategy, and allows us to execute our immediate growth plans".

The revised margin and line fees will reduce Radius Care's effective interest rate by approximately 50 basis points. Combined with ongoing reductions in floating rates, as announced on 13 June, total financing costs will reduce by at least \$1m in the current financial year.
