

22 February 2022

Comvita half year results, virtual conference call updated details for 24 February 2022

Comvita wishes to advise an amended time for their conference call on Thursday 24 February. The call will now start at **11.00am**. This change in time from 10.30am is due to there being a number of clashes with other listed entity presentations at this time and to enable all to attend.

Comvita CEO David Banfield and CFO Nigel Greenwood will host a virtual conference call for investors to present the results for the half year ended 31 December 2021.

Virtual Conference details and confirmation codes are below:

Date: Thursday, 24 February 2022
Time: 11:00am (NZST)
URL link: www.virtualmeeting.co.nz/cvtir2022

Please register online 5 – 10 minutes prior to the start time. You will be asked to provide a few registration details (name, email, participant type) prior to accessing the meeting.

Dial in details (if you are unable to connect via virtual conference details above) are below:

Attendee dial in (New Zealand toll-free): 0800 423 972
Confirmation code: 661499

You will be asked to provide the confirmation code or the title of your conference.

Background information

Comvita (NZX:CVT) was founded in 1974, with a purpose to heal and protect the world through the natural power of the hive. With a team of 500+ people globally, united with more than 1.6 billion bees, we are the global market leader in Mānuka honey and bee consumer goods. Seeking to understand, but never to alter, we test and verify all our bee-product ingredients are of the highest quality in our own government-recognised and accredited laboratory. We are growing industry scientific knowledge on bee welfare, Mānuka trees and the many benefits of Mānuka honey and propolis. We have pledged to be carbon neutral by 2025 and carbon positive by 2030, and we are planting more than two million native trees every year. Comvita has operations in Australia, China, North America, South East Asia, and Europe – and of course, Aotearoa New Zealand, where our bees are thriving.
