Capital Raising

Cooks Coffee Company Limited (NZX:CCC), the New Zealand listed international coffee focused café chain, advises that, in conjunction with its previously announced application to dual list on the Aquis Stock Exchange Growth Market, it plans to make a private placement to new investors and a pro-rata 1 for 6.367 renounceable rights issue of fully paid ordinary shares of the same class as already quoted on the NZX Main Board of NZX Limited. Cooks Coffee will also seek to place any shortfall in the Rights Issue.

A corporate action notice in respect of the Rights Issue has been released with this announcement, and Cooks Coffee will issue a Rights Issue offer document in due course.
