Share Transfer Agreement

Parties: Lenore Deirdre Bauer (**Lenore**)
Bevan John Walsh (**Bevan**)
(together, the **Parties**)

As part of the Parties' settlement of their relationship property separation matters, the Parties have agreed certain matters concerning shares in Third Age Health Services Limited (**TAH**) as set out in this agreement.

1. Agreement to transfer shares

On or as soon as possible after the date of this agreement, Bevan will transfer 1,734,853 ordinary shares in TAH (the **Settlement Shares**) to Lenore.

The transfer of the Settlement Shares to Lenore will extinguish Lenore's beneficial ownership (arising from previous informal agreements relating to relationship property matters between the Parties, as previously disclosed by the Parties and TAH) in 1,514,972 TAH shares which are legally owned by Bevan.

2. Option

Following the transfer of the Settlement Shares, Bevan will have the option to acquire up to 149,317 TAH shares, representing 1.5% of the total issued share capital of TAH as at the date of this agreement (the **Option Shares**), on the following terms (the **Option**):

- (a) subject to the conditions below, Bevan may exercise the Option in one acquisition, or in a number of smaller acquisitions, at any time prior to 30 September 2027 (or such later date agreed between the Parties) (the **Option Term**);
- (b) the Option may be exercised by Bevan by giving notice in writing to Lenore which sets out the number of Option Shares to be acquired and the price payable for those Option Shares (calculated based on paragraph (c) below) (the **Exercise Notice**);
- (c) the price payable by Bevan to Lenore for each Option Share will be the then current share price for TAH shares as listed on the TAH page of the NZX Main Board at 9am on the date of the Exercise Notice; and
- (d) Bevan must pay the relevant aggregate price for the Option Shares set out in an Exercise Notice and (subject to that payment) Lenore must transfer the relevant number of Option Shares to Bevan on the later of:
 - (i) the date five (5) business days after the date of the Exercise Notice; and
 - (ii) the date five (5) business days after the date of satisfaction of any applicable conditions as set out below.

Any exercise of the Option and acquisition of Option Shares by Bevan is subject to the following conditions precedent which must be satisfied within 90 days after the date of an

Exercise Notice (failing which any exercise of the Option or obligation to sell or purchase Option Shares shall be of no further force or effect):

- (a) compliance with TAH's applicable share trading policies and approval requirements, including:
 - i. TAH's Financial Products Trading policy; and
 - ii. TAH's Additional Trading Restrictions for Restricted Persons; and
- (b) compliance with any applicable obligations and requirements under the Takeovers Code or any other legislation or applicable listing rules.

The number of Option Shares will be adjusted to reflect any reorganisation or restructure of TAH's share capital, whether through a consolidation, subdivision, buyback, cancellation or otherwise.

During the Option Term, Lenore will not sell, transfer or otherwise dispose of any interest in the Option Shares other than to Bevan in accordance with the exercise of the Option.

The Option granted under this agreement is personal to Bevan and cannot be transferred to any other person. Any rights in Option Shares will therefore immediately terminate upon the event of Bevan's death.

Other than as set out above, Bevan will have no right, title or interest in, or control over, the Option Shares and, in particular, will not have any right to exercise, or influence the exercise, of any vote attaching to the Option Shares unless and until Bevan acquires legal title to those Option Shares following exercise of the Option.

3. Other

The Parties have agreed to share equally, the costs of negotiating and implementing this agreement, including the costs associated with preparing and making any necessary regulatory or other filings and disclosures in relation to the transactions contemplated by this agreement. The Parties will each procure that such filings and disclosures are made promptly.

The Parties agree that this agreement is entered into in full and final settlement of any and all claims that they may have against the other in relation to the shares in TAH held by them prior to the date of this agreement.
