About Rua

Rua Bioscience (RUA:NZX) is a New Zealand pharmaceutical company that is a pioneer in the New Zealand medicinal cannabis sector. Established in 2017 to support economic development in Te Tairāwhiti, Rua holds a licence to operate in the medicinal cannabis sector commercially, has two commercial-scale facilities and holds a contract with German distributor Nimbus Health to supply dried flower. Rua's extensive knowledge of the global market and expertise in: cannabis plant chemistry and analytics; cultivation and growth optimisation; and processing and pharmaceutical manufacturing supports its strategy to identify long-term value opportunities.
