## **TerryWhite Chemmart network reaches 500 stores**

EBOS Group Limited (“EBOS”) is pleased to advise that TerryWhite Chemmart (“TWC”) has celebrated the opening of its 500th network pharmacy.

This milestone demonstrates the strength and momentum of the TWC franchise and reinforces its position as one of Australia’s largest community pharmacy networks.

In commenting on the milestone, EBOS Chief Executive Officer, John Cullity said: “Today’s announcement highlights the TWC network’s significant growth under EBOS’ ownership, having expanded by approximately 100 stores during the last three years. I’d like to acknowledge all of TWC’s network partners for the outstanding work they do in serving the healthcare needs of their communities.”

Executive General Manager of TWC, Nick Munroe, said: “The opening of the network’s 500th pharmacy reflects the success across many facets of the TerryWhite Chemmart business including its vaccination leadership, industry-leading business support, world-class education programs, innovations in health and the deeper connections TerryWhite Chemmart community pharmacies are forging with their customers every day.”

EBOS will continue to invest in the growth and development of the TWC network.
