TAH enters conditional agreement for Elder Care Practice

Third Age Health Services Limited is pleased to announce that it has entered into a conditional sale and purchase agreement to acquire an 80% stake in ARC Health Limited (ARC Health).

ARC Health provides medical services to aged residential care facilities in the Canterbury region. This acquisition is intended as a bolt-on to Third Age Health's existing Aged Residential Care (ARC) business.

The acquisition represents a proposed investment of \$1.1 million. Completion of the acquisition is expected in September 2025, subject to satisfaction of all conditions.

About Third Age Health

Third Age Health is New Zealand's only specialised provider of general practice health care services for older people living in retirement villages, private hospitals, secure dementia units as well as in communities across New Zealand. A dedicated Third Age Health clinical team provides onsite clinics, rostered rounds and after hours on-call healthcare services aimed at supporting the health and wellbeing of older people to improve quality of life. As well as providing clinical services for 90 aged care facilities throughout New Zealand, Third Age Health owns several general practices providing quality primary healthcare to people of all ages.
