About Third Age Health Third Age Health is the leader in providing quality health care services for older people including those living in retirement villages, private hospitals, secure dementia units as well as in communities across New Zealand. A dedicated Third Age Health clinical team provides onsite clinics, rostered rounds and after hours on-call healthcare services aimed at supporting the health and wellbeing of older people to improve quality of life. As well as providing clinical services for over 50 aged care facilities throughout New Zealand, Third Age Health owns several general practices providing primary healthcare to their local community.
