**Sharesies makes
investing easy
and accessible**

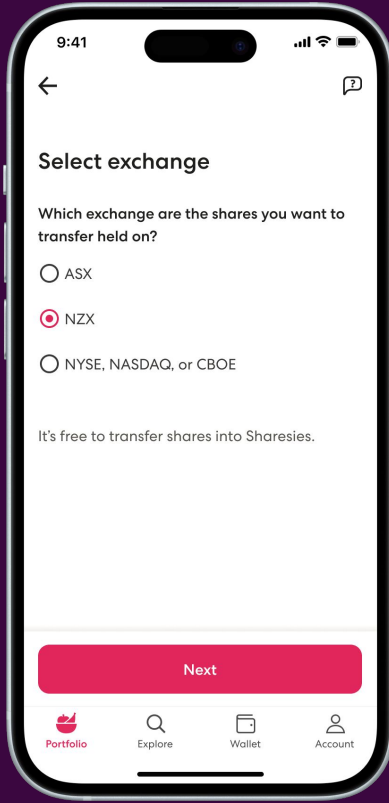

Transferring shares

Step 1:

- Sign up to Sharesies (if you haven't already)

You will need:

- Driver licence or passport; and
- Proof of address

Transferring shares

Step 2:

→ Transfer your shares

You will need:

- Common Shareholder Number (CSN) or Holder Number (HN)
- Authentication Code or Faster Identification Number (FIN); and
- Shares to transfer

That's it! There is no cost to opening an account and we make the sign up process quick and easy. For more information on the sign up process, click [here](#)

There is no cost to transferring your shares to your Sharesies account and Sharesies can accommodate shares with joint ownership too. For further information, click [here](#)

Now that you have a Sharesies account and your shares have been transferred, you'll be able to easily buy up or sell down on your shares at our competitive brokerage rates.
