- 5.5 **Interdependence** - The requirements of clauses 5.3 and 5.4 are interdependent and must be carried out contemporaneously.

## 6 Default on Completion

- 6.1 **Consequence of default** - If Completion does not occur on the Completion Date through default of either party (**Defaulting Party**), the other party (**Non-defaulting Party**) may give written notice to the Defaulting Party and if the Defaulting Party has failed to remedy the default within ten Business Days of the giving of that notice, the Non-Defaulting Party may (without prejudice to any other rights or remedies available to the Non-defaulting Party) sue for specific performance or cancel this Deed and/or sue for damages.

8.3 **Adjustment to Price Split** - If the number of Option Shares changes as a result of the above, then the proportion of Option Shares to be acquired for the Transfer Prices set out in clause 3.1 shall be adjusted proportionately so the price split between the number of Option Shares available under this Option remains the same.

8.4 **Rights Issue** – If during the Relevant Period the Company undertakes a rights issue, the Shareholders will, within three (3) Business Days of the record date for that rights issue, renounce any rights that they receive in respect of the Option Shares to the Option Holder for nil consideration.
