A brief explanation of any of the figures above necessary to enable the figures to be understood	This Results announcement should be read in conjunction with the attached consolidated interim financial statements for the 6 months ended 30 September 2025 (“Interim Financial Statements”). More detailed commentary on the operations of the Group over the period has been provided in the form of the Infratil Interim Results Presentation and Interim Report 2025/26, which have been released alongside the Interim Financial Statements. Please note the prior year total revenue and net profit figures used to calculate the percentage changes outlined above have been revised in line with the restatement made in the Interim Financial Statements. This also impacted the NTA calculation for the prior comparable period, and this has been updated to reflect this. Refer to Note 1 within the Interim Financial Statements for further information.
