# DISCLAIMER

Certain statements in this announcement constitute forward-looking statements. Forward-looking statements are statements (other than statements of historical fact) relating to future events and the anticipated or planned financial and operational performance of Michael Hill International Limited and its related bodies corporate (the Company). The words “targets,” “believes,” “expects,” “aims,” “intends,” “plans,” “seeks,” “will,” “may,” “might,” “anticipates,” “would,” “could,” “should,” “continues,” “estimates” or similar expressions or the negatives thereof, identify certain of these forward-looking statements. Other forward-looking statements can be identified in the context in which the statements are made. Forward-looking statements include, among other things, statements addressing matters such as the Company’s future results of operations; financial condition; working capital, cash flows and capital expenditures; and business strategy, plans and objectives for future operations and events, including those relating to ongoing operational and strategic reviews, expansion into new markets, future product launches, points of sale and production facilities.

Although the Company believes that the expectations reflected in these forward-looking statements are reasonable, such forward-looking statements involve known and unknown risks, uncertainties and other important factors that could cause the Company’s actual results, performance, operations or achievements or industry results, to differ materially from any future results, performance, operations or achievements expressed or implied by such forward-looking statements.

Such risks, uncertainties and other important factors include, among others: global and local economic conditions; changes in market trends and end-consumer preferences; fluctuations in the prices of raw materials, currency exchange rates, and interest rates; the Company’s plans or objectives for future operations or products, including the ability to introduce new jewellery and non-jewellery products; the ability to expand in existing and new markets and risks associated with doing business globally and, in particular, in emerging markets; competition from local, national and international companies in the markets in which the Company operates; the protection and strengthening of the Company’s intellectual property rights, including patents and trademarks; the future adequacy of the Company’s current warehousing, logistics and information technology operations; changes in laws and regulations or any interpretation thereof, applicable to the Company’s business; increases to the Company’s effective tax rate or other harm to the Company’s business as a result of governmental review of the Company’s transfer pricing policies, conflicting taxation claims or changes in tax laws; and other factors referenced to in this presentation.

Should one or more of these risks or uncertainties materialise, or should any underlying assumptions prove to be incorrect, the Company’s actual financial condition, cash flows or results of operations could differ materially from that described herein as anticipated, believed, estimated or expected. Accordingly, you are cautioned not to place undue reliance on any forward-looking statements, particularly in light of the current economic climate and the significant volatility, uncertainty and disruption caused by the COVID-19 pandemic.

The Company does not intend, and does not assume any obligation, to update any forward-looking statements contained herein, except as may be required by law. All subsequent written and oral forward-looking statements attributable to us or to persons acting on the Company’s behalf are expressly qualified in their entirety by the cautionary statements referred to above and contained elsewhere in this presentation.
