Ongoing Disclosure Notice – Teresa Farac-Ciprian

This notice is to amend and update the Ongoing Disclosure for Teresa Farac-Ciprian.

In May and June this year, Teresa Farac-Ciprian lent the company money to undertake purchases for inventory. As part of the terms of the loan, two separate tranches of warrants were issued to Teresa Farac-Ciprian.

An error was made in the Ongoing Disclosure Notice (ODN) issued on 9 June 2025. The ODN did not include both tranches of warrants.

- The ODN issued 9 June 2025 stated 139,780 warrants issued to Teresa Farac-Ciprian.
- The ODN should have stated 301,925 warrants issued to Teresa Farac-Ciprian.

A new ODN has now been issued stating that the balance of 162,145 warrants have been issued to Teresa Farac-Ciprian.

For clarity, Teresa Farac-Ciprian has rights to a total of 301,925 warrants.
