### **Just Life Group New ‘Future Director’ Appointment**

The directors of Just Life Group Limited are pleased to announce that Jacinta Taliauli has been selected to participate in the IOD ‘Future Directors’ programme operated by the board of Just Life Group.

The ‘Future Directors’ programme aims to develop the next generation of directors and prepare them to positively transform their organisations, communities and New Zealand.

The programme provides people with governance potential and ambition the opportunity to participate on a board. It also provides boards with exposure to new talent, ideas and experiences. Future Directors attend board meetings to observe and participate in discussions, but they do not have voting rights.

Jacinta is currently Procurement Manager for the Ministry for Pacific Peoples and a Trustee of the Manurewa High School Business Academy Board.

Tony Falkenstein, Chief Executive of Just Life Group, said “Jacinta is an outstanding appointee who has already shown herself to be an achiever and leader in her work and the community – the directors are delighted she has taken up the role and look forward to her progress over the next 12 months and the future”.
