FY 31 December 2020

New Zealand

FY 31 December 2020

New Zealand – key focus and initiatives

- Refresh and upgrade of centres
- Piloting enhanced offerings at centres (music and science programmes)
- Regional Resource Coordinators to manage staffing challenges brought about by sector wide ECE teacher shortage due partly to closed borders
- Additional Area and Regional Quality (Curriculum) Managers to enhance quality of offering to families
- Closure or sale of less profitable centres

FY 31 December 2020

Australia

- Employees and children remained safe and well through Covid-19 (Covid-19 transmissions in one Melbourne centre)
- Australian centre occupancy affected by government restrictions
- Strong Australian government support allowed most staff to remain on full pay
- Full year of the 10 centres acquired in FY19

FY 31 December 2020

FY 31 December 2020

Australia growth strategy

In 2019 Evolve embarked on the strategy of broadening and strengthening the company's earnings through the expansion into the Australian ECE sector.

As at December 2020 Evolve operated 10 centres in Australia with an average annual revenue of A\$2m p.a. (twice the NZ centre average).

Evolve has acquired a further 10 Australian centres in the first half of FY2021. As at June 2021 we have 1,800 licenced places in Australia (18% of total Evolve).

Outlook

Underlying EBITDA – NZ\$

- Year ending 31 December 2021: \$16m - \$18.5m
 - Year ending 31 December 2022: \$23m - \$25m
 - Assumes no further Covid-19 restrictions in NZ or Australia
-
