Acquisition of Cleanways business and assets completed

Following its announcements on 18 and 29 May 2023, WasteCo is pleased to advise that it has today completed the acquisition of the assets and business of Cleanways (2003) Limited and related companies, Enviro South (2015) Limited and Wastech Services (Central Otago) Limited.

Cleanways and Enviro South are based in Invercargill and specialise in bulk liquid waste, providing a range of services across Southland.

Wastech Services is based in Cromwell and specialises in the removal of all bulk liquid and solid waste, providing services throughout the Central Otago region.

The acquisition furthers WasteCo's liquid and solid waste offerings with existing operations based primarily in Nelson, Christchurch, Ashburton, Timaru, Oamaru, Dunedin and Balclutha. WasteCo looks forward to continuing to support existing Cleanways customers, and growing its range of service offerings from its new Invercargill and Cromwell premises.
