Resignation of Chief Marketing Officer

Blis Technologies wishes to advise that Chief Marketing Officer, Julie Curphey, has advised of her resignation from her role effective 29 October 2021.

Julie joined the company in September 2016 and has had an integral role in several new product and new market launches during that time.

CEO Brian Watson said: "I'd personally like to thank Julie for her contribution over the last 5 years and wish her well for her future endeavours. Julie has led a number of significant launch initiatives for the company, has increased our market presence as a brand and has helped broaden our revenue opportunities for the future."

Julie is taking time off and will assess her future direction in the new year.

A search for Julie's replacement will commence shortly.
