**27 June 2025**

## **Gas Distribution Asset Management Plan**

Vector today published its Asset Management Plan (AMP) to comply with the Gas Distribution Information Disclosure Determination 2012.

The AMP covers the ten years from 1 July 2025 to 30 June 2035. The AMP can be downloaded from Vector's website ([vector.co.nz/about-us/regulatory](https://vector.co.nz/about-us/regulatory)).

This AMP contains an updated connections forecast that reflects market uncertainty, scarcity of gas and rising costs. This results in a connections forecast where we see customers disconnect at a faster rate than new customers connect from FY26, with new connections stopping in FY29.
