Skellerup NPAT HY21 to HY22

Earnings growth was broad-based:

- Talbot contribution for first four months following acquisition.
- Growth across the Industrial Division applications particularly potable and waste water (USA and Australia).
- Agri up due to footwear sales growth particularly in NZ.
- COVID-related government assistance of \$0.4 million (USA), compared to \$1.2 million in pcg (USA and Australia).
- Corporate costs down on pcg.
- Reduction in average net debt driving lower interest costs.
- Gains from FX due to softer NZD in Q2 and hedging gains.
