## **GLOBAL PROTEINS PRESENTATION**

Scales has today released the attached presentation on its Global Proteins division.

The purpose of the presentation is to provide investors with further information on the division.

The presentation will cover the following five main themes:

1. The petfood industry and why both ourselves and our customers are excited about the future growth prospects
2. Our growth platform and why we are well positioned to capitalise on this opportunity
3. The market participants – including details on customer mix, supplier network and competition
4. Our strategy and some financial analysis with a focus on our new growth targets
5. Our outlook including some of the strategic initiatives that will help us deliver on these targets
