19 June 2024

### DOWNER AWARDED NEW NBN CONTRACT

Downer EDI Limited (Downer) today announced it had been awarded a new contract by NBN Co Limited (**nbn**), with an estimated value of more than \$100 million over the initial three-year term.

The Business Deployment Module contract begins in October 2024 and includes a two-year extension option.

Under this contract, Downer will augment the **nbn**<sup>®</sup> network through network extension and the connection of full fibre technology to businesses in large parts of Western Australia, South Australia, Northern Territory and New South Wales.

Scope of works to be delivered by Downer includes network inspection and minor design activities, underground pit and pipe works, and construction of aerial or underground fibre in relation to Enterprise Ethernet, GPON and Smart Places to business locations where demand arises within the **nbn** footprint.

Downer is a leading provider of fixed and wireless network services in Australia and New Zealand and one of the largest constructors and maintainers of the national broadband network.

The Chief Executive Officer of Downer, Peter Tompkins, said Downer looks forward to extending its strong, longstanding relationship with **nbn** as one of its key delivery partners with a proven track record of delivery.

“This contract reinforces Downer’s position as a key long-term **nbn** delivery partner,” Mr Tompkins said.

“Downer has been working closely with **nbn** for more than a decade and we look forward to continuing our partnership and optimising the **nbn**<sup>®</sup> network to support the success of businesses across Australia.”
