

March 2021 Monthly traffic update and April 2021 preview

-53.8% Auckland Airport total passenger volumes decreased by 53.8% in March 2021 versus last year. International passengers (excl. transits) were down 95.0%, transit passengers were down 92.9% and domestic passengers were down by 11.1%.

- The Australian Government resumed one-way quarantine-free travel from New Zealand to Australia on Thursday, 11 March 2021. The arrangement allows travellers who have been in New Zealand for 14 days to travel by air to Australia quarantine-free, without applying for a travel exemption.
- Domestic services in March 2021 were also impacted by further travel restrictions when Auckland re-entered Alert Level 3 at 6am on Sunday, 28 February 2021 for a period of six days until 6am on Sunday, 7 March 2021.
