Rua Bioscience Limited Releases Annual Report for Year Ended 30 June 2023

Tena koutou,

Today we have released our Annual Report for the 12 months ending 30 June 2023 (FY23).

In our Annual Report we provide an overview of Rua's pivotal year, which has seen us focus on developing unique genetics, executing our export-led strategy and achieving our first international sales. You can read more about the benefits of our capital-light operating model, and our preparations for our next stage of growth.

The Annual Report is attached and available now on the Rua website www.ruabio.com/annual-report. Those who have requested it will receive a hard copy in the post in due course
