## Stride Property Group

### Dividend Reinvestment Plan Introduced

As announced on 24 November 2022, Stride Property Group (Stride), comprising Stride Investment Management Limited (SIML) and Stride Property Limited (SPL), has adopted a dividend reinvestment plan, which takes effect from today, 5 December 2022.

Information on the plan, including a copy of the offer document and information on how to apply, is being sent to shareholders today.

Stride invites all eligible shareholders to participate in the plan, should they choose to do so. Participation in the plan is entirely optional for eligible shareholders. Shareholders may elect to participate in the plan in respect of all or part of their stapled securities. If shareholders wish to continue to receive dividends in cash, they do not need to do anything.

The plan is only available to eligible shareholders, being shareholders with a registered address in New Zealand, Australia or the United Kingdom (as at the record date for a particular dividend).

Stride's Chair, Tim Storey commented: "The plan provides eligible shareholders with an opportunity to invest the net proceeds of the cash dividends payable on their shares in additional fully paid ordinary shares in each of SPL and SIML, conveniently increasing their shareholding in Stride without incurring brokerage fees."
