 The date the fund started: 29 July 2015

### What are the risks of investing?

#### Risk indicator for the Smartshares US 500 ETF

The risk indicator is rated from 1 (low) to 7 (high). The rating reflects how much the value of the fund's assets goes up and down. A higher risk generally means higher potential returns over time, but more ups and downs along the way.

### How has the fund performed?

|  | Average over past 5 years | Past year |
|--|---------------------------|-----------|
| <b>Annual return</b><br>(after deductions for charges and tax)                   | 14.50%                    | 15.77%    |
| <b>Annual return</b><br>(after deductions for charges but before tax)            | 16.01%                    | 17.30%    |
| <b>Market index annual return</b><br>(reflects no deduction for charges and tax) | 16.42%                    | 17.78%    |

The market index annual return is based on the annual return of the S&P 500 Index. Additional information about the market index is available in the 'Other Material Information' document on the offer register at [disclose-register.companiesoffice.govt.nz](https://disclose-register.companiesoffice.govt.nz).

## Annual return graph

This shows the return after fund charges and tax for each year ending 31 March since the fund started. The last bar shows the average annual return since the fund started, up to 31 March 2022.

**Important:** This does not tell you how the fund will perform in the future.

Returns in this update are after tax at the highest prescribed investor rate (PIR) of tax for an individual New Zealand resident. Your tax may be lower.

## What fees are investors charged?

Investors in the Smartshares US 500 ETF are charged fund charges. In the year to 31 March 2022 these were:

|  | % per annum of fund's net asset value |
|--|---------------------------------------|
| <b>Total fund charges</b>                          | 0.34%                                 |
| Which are made up of:                              |                                       |
| <b>Total management and administration charges</b> | 0.34%                                 |
| Including:   |                                       |
| Manager's basic fee                                | 0.33%                                 |
| Other management and administration charges        | 0.01% <sup>1</sup>                    |

Investors may also be charged individual action fees for specific actions or decisions (for example, withdrawing from or switching funds). See the Product Disclosure Statement for Smartshares Exchange Traded Funds – Core Series for more information about those fees.

The fees set out above include GST where applicable.

Small differences in fees and charges can have a big impact on your investment over the long term.

## Example of how this applies to an investor

Tara had \$10,000 in the fund at the start of the year and did not make any further contributions. At the end of the year, Tara received a return after fund charges were deducted of \$1,577 (that is 15.77% of her initial \$10,000). This gives Tara a total return after tax of \$1,577 for the year.
